April 16, 2020,

In an effort to help ease the economic impact of COVID-19, the Treasurer and the Council of the Township of Strong, have decided to continue with the waiving of any new interest charges, and penalties that may arise, due to non-payment of tax bills. At this time, these will continue to be waived until July 31, 2020. The due dates, as previously established, remain as follows:

For 2020 Interim Taxes – due dates are March 25 and May 27 (two installments)

For 2020 Final Taxes – due date October 28 (one installment)

Unless otherwise stated, please be advised that the regular interest charge of 1.25% per month (15.00% per year) will be applied on all taxes owing as of August 31st, 2020. Please plan to make arrangements with the Treasurer should you have difficulty bringing your tax account up to date by August 31, 2020. Please note: All property taxes will still need to be paid before the end of the year.

Residents are encouraged to contact deputytreasurer@strongtownship.com to amend any pre-authorized payment plan, post-dated cheques, etc, if needed. If new arrangements are not made, then payments will go through as already planned. Payments for property taxes can be made online through bank institutions. Cheques can be left in the drop box located at the Municipal Office (28 Municipal Lane, Sundridge), or by mail. **All payments that have been received or previously been set up with a Pre-authorized payment plan will continue to be processed as normal unless new arrangements are made.**

Please note that staff continue to work at the Municipal Office during usual business hours, however the office is closed to the public. Attached is the document "How do I pay my tax bill?" It describes the many ways your property taxes can be paid.

Should there be any questions or concerns, please contact Dan Truchon, Treasurer.
